EXPERIENCE

Adaan Digital Solutions   May 2024 – Dec 2024
Web Developer   *Ghaziabad, India*
- Developed and maintained dynamic web applications using React.js, enhancing user experience and performance.
- Collaborated with cross-functional teams to implement responsive designs using Tailwind CSS, improving mobile accessibility.
- Integrated content management systems (CMS) like Duda and Wix to streamline website development and deployment processes.
- Conducted code reviews and debugging sessions, ensuring high-quality code and adherence to best practices.

NCR Admission Services Pvt. Ltd.   November 2023 – May 2024
Assistant Web Developer Intern   *Ghaziabad, India*
- Assisted in the design and development of user-friendly web pages using HTML, CSS, and JavaScript, contributing to improved site functionality.
- Collaborated with senior developers to troubleshoot and resolve website issues, enhancing overall user satisfaction.
- Participated in team meetings to gather project requirements and provide input on design strategies.
- Gained hands-on experience with front-end development tools and frameworks, building a strong foundation for future projects.

PROJECTS

Recipe App   JavaScript, CSS, HTML5
Frontend Project
* Developed a responsive recipe app using **JavaScript, HTML, CSS** enabling users to search, browse, and save recipes based on ingredients or keywords.
* Integrated third-party **APIs** to fetch real-time recipe data and display nutritional information, enhancing user experience with personalized features.
* Optimized app performance for improved usability across multiple devices, ensuring a seamless and engaging user interface.

To-Do App Development   React.js, TailwindCSS, APIs
Frontend Project
* Developed a responsive to-do app using **React.js** with features to create, update, and delete tasks.
* Integrated **APIs** for real-time task management and synchronization across devices.
* Utilized **React.js** hooks and component-based architecture to ensure maintainability and performance.
* Designed an intuitive UI to enhance user experience and cross-device compatibility.
